Mr. Matthew Shinnars,

Interstate Highway Construction would like to express our sincere appreciation of you, your team and your company for the successful completion of the Tulsa International Airport, Taxiway J South Reconstruction Project.

Your company was an integral part of construction on this project, handling the breaking of the existing concrete. Your field crews were a pleasure to work with. Your crews were there when required, brought the necessary equipment, completed the work on schedule and performed the work to the satisfaction of all parties involved. We appreciate all the hard work from everyone at your company. Antigo was a pleasure to work with on this project.

We look forward to future projects together.

Sincerely,
